Dear Customer:

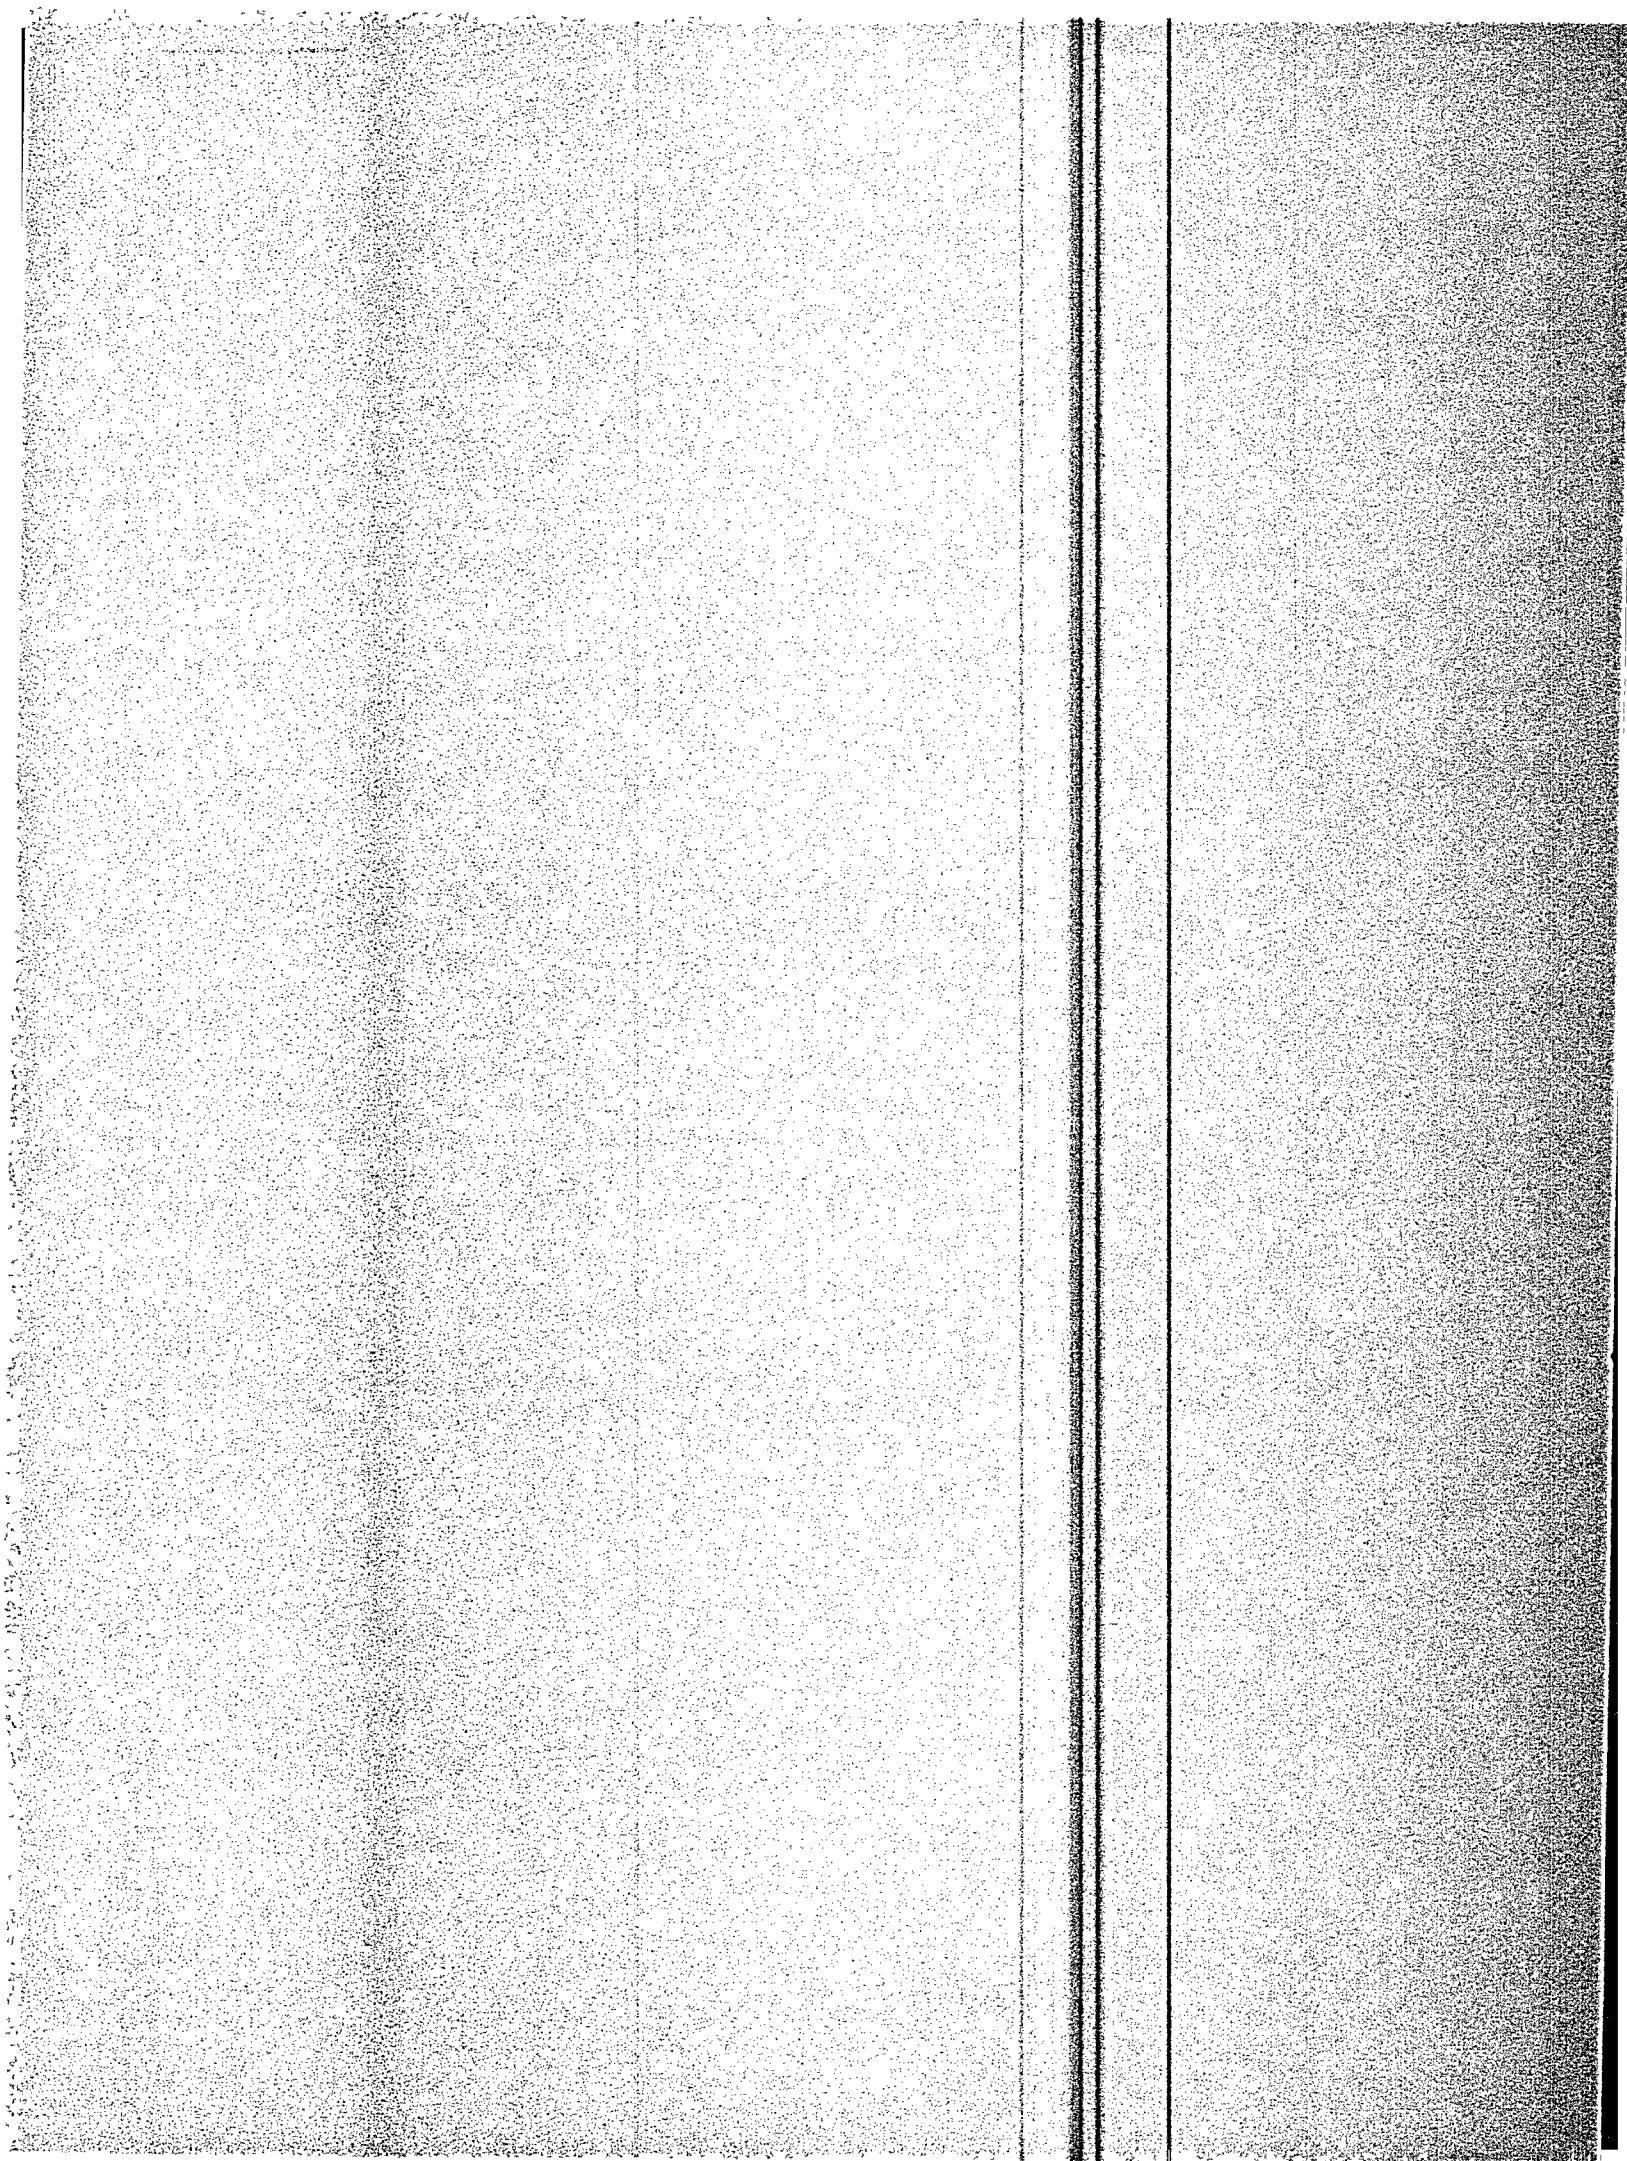

The registered agent of the above-referenced Company filed with the State Corporation Commission on April 10, 2009, a statement of resignation as registered agent. As provided by statute, the resignation will become effective on the 31st day after the date on which the statement was filed.

Virginia law requires the Company to maintain at all times a registered agent and registered office located in the Commonwealth for the purpose of receiving legal process, notice, etc. that is served by mail, personal delivery or otherwise. The law also provides for the automatic cancellation of the Company's existence or authority to transact business in Virginia, as the case may be, if it fails to establish a new registered agent and registered office in a timely manner.

Enclosed is the Commission form required to change the Company's Virginia registered agent/office, which should be completed and returned to this office prior to the effective date of the agent's resignation. If you need more information with respect to the form you may contact us by telephone, (804) 371-9733, or toll free in Virginia, 1-866-722-2551, or in writing.
